

I love my K-LOVE station. This is the only local christian radio station that we have. It provides good, quality music for my family to listen to. If K-LOVE were to be displaced by an LPFM broadcaster we would not have a christian station to listen to. The effect on the community would be detrimental. They are encouraging and uplifting. Please don't change our radio broadcasts. K-LOVE provides the public with a wonderful alternative to secular music. They are upbeat and positive. They provide counseling and prayer requests. They are an asset to any community that they broadcast in. I live in rural Oregon and have a limited number of stations to choose from. Please allow K-LOVE to stay in our area. I know my family and countless others will be grateful. Thank you.
